5 Ways to Earn with O2 Worldwide

1. Retail Customer Bonus
   Earn 50% of the CV on all of your retail customer purchases. (Also, 40% of the CV will go into the Two Team Pay Plan.)

2. Fast Start Bonus
   Earn 30% of the CV on the first order of all Members that you personally enroll. (Also, 60% of the CV will go into the Two Team Pay Plan.)

3. Two Team Pay
   Earn up to 10%* on the balanced Commissionable Volume (CV) of your two teams every week. (The volume is calculated to infinity and with no cycles.)

4. Matching Bonus
   Earn a 50% Matching Bonus on all your personally sponsored Members and a 10% matching bonus paid up to 5 generations of K Club members. (The match is based on the Two Team Pay only.)

5. Car Bonus & Other K Club Prizes
   Earn fantastic prizes, car bonuses, plus additional bonuses as you advance in the K Club ranks.

75% Rule for Total Payout
The Two Team Pay Plan pays individual Members up to 10%* of their teams' balanced volume until the total payout across the company reaches 75% of the collective company-wide CV. If the total company-wide payout is calculated to be over 75%, actual individual payouts will be adjusted down to make the total company-wide payout be 75%. If the total payout is under 75%, the difference will go into a company reserve to cover any weeks that the payout is higher. This is designed to ensure that O2 Worldwide can always pay out the maximum amount possible to our Members without paying out too much, so that we can insure the stability of the pay plan long term.  

*Actual individual Two Team payouts average between 8%-10%.

Commission Schedule
The Retail Customer Bonus and Fast Start Bonus are entered into your e-wallet instantly, and the Two Team Pay and Matching Bonus are entered every Wednesday with a one-week delay. Note: You can request a payout from your e-wallet at any time, and it will be paid out on the upcoming Friday.

Note: Commissionable Volume (CV) is the dollar value assigned to each product for the calculation of commissions.

Leveraging the Power of Teams

Making money with your own O₂ Worldwide home-based business is simple due to the power of our Two Team Plan. You only need to focus on one thing: Be an Active Member yourself, then sign up two other Active Members (placing one on each of your teams), and then just teach them to do the same thing. Get 2, teach 2... it doesn't get any easier than that.

In this simple but powerful plan, you have a team on your left side and a team on your right side. As you personally introduce others to O₂ Worldwide, you can sign them up in either of your teams. New Members can also be placed on your teams for you by your Sponsor (or other Members above you) in addition to the efforts of those Members below you in your organization.

As soon as you become an O₂ Worldwide Associate, you earn up to 10%* of the balanced Commissionable Volume (CV) generated by the members in your two teams, with volume calculated to infinity and with no cycles.

The Two Team Pay is calculated and paid out to you weekly. And the extra CV that you are not paid on from your larger volume team carries over to the next week as long as you maintain the rank of Associate or higher. (So it pays to stay active...and to teach your team to stay active too! It’s really that simple!)

Even better, the leveraging power of our Two Team Plan doesn’t end there. Not only are you rewarded for introducing others to the business and helping them succeed, it applies to everyone on your team! So, the more Members you help join O₂ Worldwide, the more opportunities you all have to grow your incomes.

Plus, as your teams grow, your income increases substantially! With our systems and training, it’s doesn’t take long before you can be making a great part-time or full-time income in your spare time! The key to success is simply sharing the O₂ Worldwide products and home-based business opportunity with others.

This example shows how powerful the Two Team Plan can be. It is based on the Members each having a 40CV order.

In this example, there are 5 Members on the left team collectively generating 200CV and there are 4 Members on the right team collectively generating 160CV.

So the balanced Commissionable Volume of the two teams totals 320CV (160CV/team x 2 teams), with 40CV remaining on the left (which will be carried over to the next week’s payout calculation).

At a 10%* payout on 320CV balanced Commissionable Volume, you would earn US $32 this week just from Two Team Pay!

High Rewarding Bonus Program

To reward our Members for their dedication and achievement, we have an industry-leading Bonus Program! These lucrative bonuses can create a significant amount of additional income in your O₂ Worldwide business as you share the life-changing health and wellness products and/or home business opportunity with others.

50% Retail Customer Bonus
You get paid 50% of the CV every time a retail customer purchases a product from you. For example, a USD $59.95 purchase has 40CV, so that Retail Customer Bonus would be USD $20. And you are paid that on every bottle they buy from you!
Note: You receive a personalized, professionally designed customer retail website for free when you sign up as a Member. Plus, you get an online business management system for sales tracking, order management, and account record keeping.

30% Fast Start Bonus
You also get paid 30% of the CV on the first order of all Members that you personally enroll in O₂ Worldwide. For example, a USD $59.95 order has 40CV, so that Fast Start Bonus would be USD $12!
Note: As part of your New Member sign-up, you also receive a professional home business opportunity website for free; plus, Premium Members get additional marketing systems and sales funnel sites. And whenever anyone visits one of your sites and signs up, they are automatically placed on your team.

50% Matching Bonus
Plus, you start getting paid a weekly 50% Matching Bonus as soon as you become an Associate Member or higher rank and have 40CV! As shown in the example, as you build your team, your earning potential skyrockets rapidly!

With this incredible Matching Bonus, you get a 50% weekly check match on the collective Two Team Pay earned by all of your personally sponsored team members. (Note: The match is based on the Two Team Pay only.)
